

# Welcome to Calvary Fellowship!

We're so glad you've joined us! The most important thing in a person's life is their relationship with God and, because of this, we have created intentional environments for each member of your family and hope you will take full advantage of them. Here are a few things to consider as a family:

## WHAT IS CALVARY KIDS?

Our Children's Ministry is designed for kids to learn Biblical truths in safe, fun, and developmentally appropriate classes. Each week, children in Calvary Kids engage in worship and lessons tailored to their grade level, including Bible stories, games, crafts, and other activities. All Children's Ministry teammates are continually trained and have passed a full background check.

## WHAT ABOUT ATTENDING CHURCH TOGETHER?

The adult service is intended to be a spiritually academic setting environment where messages are relevant to everyday life and all adults can grow in their faith. Because we cover all subjects the Bible presents, including complex topics like sexuality, violence, and struggle with sin, our adult service is a PG-13 environment. This is one of the reasons we expend tremendous effort to make the children's classrooms age-appropriate, engaging, and safe environments so that coming to Calvary will be a great experience for your whole family.

## WHAT IF CALVARY KIDS IS NOT YET RIGHT FOR MY CHILD?

While we believe Calvary Kids is the best place for your children to learn and enjoy church at Calvary, we have created a family section in the Adult Service for newborn babies, kids in transition, and visitors. **Out of consideration for others, we ask you to please exit quietly if your child starts crying or making noise.** The Family Area outside the auditorium is a more flexible environment where you can continue watching a live broadcast of the church service. This area offers a changing station, coloring area, and toys.

## COMMENTS, QUESTIONS OR CONCERNS?

We're here to serve you and your family, so please let us know what we can do for you. Someone is available right now to give you a tour of Calvary Kids. We understand that some children may have trouble transitioning to Calvary Kids and we would be glad to work with you through the transition period. If you have any questions about how to get the most out of Sunday services, please visit <https://westhartfordchurch.com/calvary-kids/> or email our Children's Ministry Director, Heather Bruschino, at [heather@calvaryhartford.com](mailto:heather@calvaryhartford.com).
